Re: Online Local Listing Broker (LLB) application corresponding to the HUD M&M 3.5 contract

Please note that the online Local Listing Broker (LLB) application for BLB Resources, Inc., corresponding to the HUD M&M 3.5 contract, is now open for the following HUD contract regions/states only:

- 3S: Arizona
- 5S: California, Hawaii, Northern Mariana Islands, Guam, American Samoa
- 6S: Alaska, Oregon, Washington

The application will be available starting January 27, 2014 through February 6, 2014 (1-27-14 – 2-6-14). Please log into the website link below in order to start the registration/application process:

- <https://www.blbresources.com/apply/start.php>

Please also note that our current Local Listing Brokers must all re-apply with us since nobody will be "grandfathered" into the new M&M 3.5 Contract.

Please be advised that if you are located in the states of **Idaho or Nevada, BLB Resources will not be the HUD M&M 3.5 asset manager in those states.** If you are interested in becoming an LLB for Idaho and/or Nevada under the HUD M&M 3.5 contract, you will need to contact the new asset manager for that contract region: Matt Martin Real Estate Management.

If you are a prospective LLB applicant in the state of Michigan, the state of Michigan is still under the HUD M&M 3.0 contract, therefore, we will not review/consider any Michigan applicants at this time.

Thank you,

The BLB Resources Team
