Conditions of Sale

- A. All assessments, including improvement assessments which are available for payment without interest or penalty for advance payment, taxes, rent, and ground rent, if any, shall be prorated as of the closing date.
- B. Seller makes no representations or warranties concerning the condition of the property, including but not limited to mechanical systems, dry basement, foundation, structural, or compliance with code, zoning or building requirements and will make no repairs to the property after execution of this contract. Purchaser understands that regardless of whether the property is being financed with an FHA-insured mortgage, Seller does not guarantee or warrant that the property is free of visible or hidden structural defects, termite damage, lead-based paint, or any other condition that may render the property uninhabitable or otherwise unusable. Purchaser acknowledges responsibility for taking such action as it believes necessary to satisfy itself that the property is in a condition acceptable to it, of laws, regulations and ordinances affecting the property, and agrees to accept the property in the condition existing on the date of this contract. It is important for Purchaser to have a home inspection performed on the property in order to identify any possible defects. If FHA insured financing is used, up to \$200 of the cost to perform the inspection may be financed into the mortgage. Names of home inspection companies can be found in the yellow pages of your telephone directory under the heading "Home Inspection Services."**
- C. If financing is involved in this transaction (Item 4), Purchaser agrees that should he/she/it fail to provide documentation indicating that proper loan application was made in good faith within 10 calendar days of the date this contract was accepted by Seller, and/or thereafter otherwise to put forth good faith efforts to obtain necessary financing, Seller shall have the option of rescinding this contract and retaining all or a portion of Purchaser's earnest money deposit.
- D. Seller may rescind this contract and return all or a portion of Purchaser's earnest money deposit under the following conditions:
1. Seller has not acquired the property.
 2. Seller is unable or unwilling to remove valid objections to the title prior to closing.
 3. Seller determines that purchaser is not an acceptable borrower.
- Tender of the deposit shall release the Seller from any and all claims arising from this transaction.
- E. Purchaser may not perform repairs nor take possession of the property until sale is closed. Risk of loss or damage is assumed by Seller until sale is closed, unless Purchaser takes possession of the property prior thereto, in which case State law shall apply. (1) If sale involves FHA insured financing and after damage the property no longer meets the intent of Minimum Property Standards (MPS), Seller may, at its option, perform repairs or cancel the contract and return Purchaser's full earnest money deposit. If, after damage, the property still meets the intent of MPS, Purchaser has the option of accepting the property as-is, with a purchase price adjustment at Seller's sole discretion, or cancelling the contract and receiving refund of full earnest money deposit. (2) If sale does not involve FHA insured financing, Seller will not repair damage but may, at Seller's sole discretion, reduce the sale price. Purchaser has option to cancel the contract and receive refund of full earnest money deposit. Tender of the earnest money shall release Seller from any claims arising from this transaction.
- F. If this property is being offered with FHA insured mortgage financing available, Seller's acceptance of this contract constitutes a commitment to insure, conditioned upon Purchaser being determined by Seller or Direct Endorsement Underwriter to be an acceptable borrower and further conditioned upon Seller's authority to insure the mortgage at the time the sale is closed.
- G. Purchaser understands that Seller's listing price is Seller's estimate of current fair market value.**
- H. No member of or Delegate to Congress or Resident Commissioner shall be admitted to any share or part of this contract or to any benefit that may arise therefrom, but this provision shall not be construed to extend to this contract if made with a corporation for its general benefit.
- I. Purchaser and Seller agree that this contract shall be binding upon their respective heirs, executors, administrators, successors or assigns but is assignable only by written consent of the Seller.
- J. If this property was constructed prior to 1978, Seller has inspected for defective paint surfaces (defined as cracking, scaling, chipping, peeling or loose paint on all interior and exterior surfaces). Seller's inspection found no defective paint surfaces, or if defective paint surfaces were found, Seller has treated or will treat such defective surfaces in a manner prescribed by Seller prior to closing. **Purchaser understands and agrees that the Seller's inspection and/or treatment is not intended to, nor does it guarantee or warrant that all lead-based paint and all potential lead-based paint hazards have been eliminated from this property.** Purchaser acknowledges that he/she/it has received a copy of a pamphlet which discusses lead-based paint hazards and has signed, on or before the date of this contract, the Lead-Based Paint Addendum to Sales Contract - Property Built Before 1978. Purchaser understands that the Lead-Based Paint Addendum must be signed by all Purchasers and forwarded to Seller *with* this contract. Contracts which are not in conformance with these requirements will not be accepted by Seller.
- K. The effective date of this contract is the date it is accepted (signed) by the Seller.
- L. If the amount stated in Item 5 exceeds actual and typical financing and/or closing costs, such excess shall not be paid by Seller and may not be used by Purchaser to reduce amount(s) due Seller.
- M. Seller's policies and requirements with regard to earnest money (including forfeiture thereof), extensions of time in which to close the sale, back-up offers, and allowable financing and/or closing costs are detailed in instructions issued to selling brokers.
- N. Seller makes no representations or guarantees that the property will, in the future, be eligible for FHA insured mortgage financing, regardless of its condition or the repairs which may be made.
- O. Warning: Falsifying information on this or any other form of the Department of Housing and Urban Development is felony. It is punishable by a fine not to exceed \$250,000 and/or a prison sentence of not more than two years. (18 U.S.C. 1010, 3559; 3571)**

HUD Forfeiture and Extension Policy – AK, OR, WA Only

FHA Case Number: 123-456789

Property Address: 1010 Main Street, Any Town, OR, 97206, Multnomah County

All HUD Property Disposition sales of HUD-acquired properties are to close within 45 days (60 days if purchaser(s) are obtaining an FHA 203K Loan) of acceptance of a HUD-9548 (1/99) Sales Contract offer to purchase.

Forfeiture of Earnest Money Deposits

Purchaser(s) **JD** INITIAL HERE Selling Agent: **MS** INITIAL HERE

The failure by a Purchaser to close on the sale of property within the allowable period, including any extensions approved by HUD, may result in the forfeiture of the entire earnest money deposit, except where special circumstances exist. These situations will need to be documented and granted by HUD.

Investor Purchasers

1. Please note the 15-day inspection period applies to owner-occupant purchasers only. Investors may inspect the property but will forfeit the entire earnest money deposit regardless of the inspection results.
2. Uninsured Sales – The purchaser will forfeit the entire earnest money deposit for failure to close within the allotted time, regardless of the reason.
3. Insured Sales – The purchaser will forfeit fifty percent (50%) of the earnest money deposit for failure to close if the purchaser is determined by HUD or Direct Endorsement underwriter to be an unacceptable buyer. The purchaser will forfeit the entire earnest money deposit if sale fails to close for any other reason.

Owner-Occupant Purchasers

The purchaser will receive a refund of the entire earnest money deposit under the following circumstances:

1. There has been a death in the immediate family (contract holder, spouse, or children living in the same household).
2. There has been a recent serious illness in the immediate family that has resulted in significant medical expenses or substantial loss of income, thus adversely affecting the purchaser's financial ability to close the sale.
3. There has been a loss of job by one of the primary breadwinners, or substantial loss of income through no fault of the purchaser.
4. For Insured sales, HUD (or a Direct Endorsement underwriter using HUD guidelines) determines that the purchaser is not an acceptable borrower.
5. For Uninsured sales, the purchaser was pre-approved for mortgage financing in an appropriate amount by a recognized mortgage lender and, despite good faith efforts, is unable to obtain mortgage financing. "Pre-approved" means a commitment has been obtained from a recognized mortgage lender for mortgage financing in a specified dollar amount sufficient to purchase the property.
6. For other good cause, as determined by HUD.

On an uninsured sale, the purchaser will forfeit fifty percent of the earnest money deposit in those instances where, despite good faith efforts by the purchaser, there is an inability to obtain a mortgage loan from a recognized mortgage lender.

On either type of sale, the purchaser will forfeit the entire earnest money deposit in those instances where no supporting documentation is submitted, where the documentation fails to provide an acceptable cause for the buyer's failure to close, or where documentation is not provided within a reasonable time following contract cancellation.

Earnest Money Deposit (EMD) Requirements

Earnest Money Deposit requirements are **\$500** for properties with a purchase price of \$50,000 or less and **\$1000** for properties with a purchase price of \$50,001 or more. For vacant lots the EMD is fifty percent (50%) of the list price. For GNND properties, the EMD is 1% of list price (not less than \$500 and not to exceed \$2,000).

Earnest money deposits must be in the form of a cashier's check or U.S. Postal Money Order made payable to BOTH "**Buyer Selected Escrow Company or Buyer(s) name.**" A **COPY** of the EMD check is to be submitted with the completed sales package to BLB Resources within two (2) business days of bid acceptance, and the

HUD Forfeiture and Extension Policy – AK, OR, WA Only

ORIGINAL EMD must be submitted to the Local Listing Broker (LLB) assigned to the property within two (2) business days of bid acceptance. Please note that no Money Gram or Western Union money orders will be accepted.

PLEASE NOTE: If the transaction is cancelled prior to ratification of sales contract, the earnest money will be returned to the Real Estate Broker via certified mail unless otherwise noted below. BLB Resources, Inc. will NOT be held liable for any lost or misplaced checks.

INITIAL HERE

If scheduled closing dates cannot be met, purchasers may request extensions of the closing time. BLB Resources, Inc. may grant extensions in intervals of fifteen (15) days upon written request from the purchaser. Extensions of time to close the sale are entirely within Seller’s discretion.

If granted, the following conditions apply:

- A written request for extensions must be received by BLB Resources, Inc. no later than five (5) calendar days before the expiration of the sales contract.
- Documentation submitted with the extension request must state the cause of delay and must demonstrate evidence that a closing is imminent. Contracts that exceed the expiration date are subject to cancellation.
- Extension fees are non-refundable if the closing does not occur.
- At closing, unused extension fees will be prorated to the Purchaser and refunded by escrow.
- The granting of one extension shall not obligate the Seller to approve additional extensions, and the Seller shall declare a Default for the Purchasers’ failure to close the sale upon the expiration of the original closing period or upon the expiration of the extension.
- Extensions will be for a period of fifteen (15) calendar days. Fees will be based on the Contract Sales Price of the property:

Allowable Closing Costs-Line 5 of Sales Contract (HUD 9548-1/99)

Upon closing of a HUD-owned single-family property, the Department will allow to be deducted from its proceeds, purchaser financing and closing costs considered to be reasonable and customary in the jurisdiction where the property is located. Form HUD-9548 (Sales Contract-Property Disposition Program), shall be used to reflect the total dollar amount HUD is expected to pay towards a purchaser's financing and closing costs. However, in no event may the costs exceed three percent (3%) of the property's gross purchase price. If the total closing costs reflected on

HUD Forfeiture and Extension Policy – AK, OR, WA Only

the HUD 1 settlement statement are less than the amount indicated on the sales contract, HUD will reimburse only the actual costs charged and will not credit the purchaser with any difference either in cash or through a purchase price. Within the three percent (3%) allowance, HUD will reimburse loan origination fees up to one percent (1%) of the mortgage. However, on an FHA 203(k) rehabilitation mortgage, HUD will reimburse one and a half percent (1.5%) of the mortgage.

Seller Disclosure

Seller makes no representations or warranties concerning the condition of the property, including but not limited to mechanical systems, dry basement, foundation, structural, or compliance with code, zoning or building requirements and will make no repairs to the property after execution of this contract. Purchaser understands that regardless of whether the property is being financed with an FHA-insured mortgage, Seller does not guarantee or warrant that the property is free of visible or hidden structural defects, termite damage, lead-based paint, mold, or any other condition that may render the property uninhabitable or otherwise unusable. Purchaser acknowledges responsibility for taking such action as it believes necessary to satisfy itself that the property is in a condition acceptable to it, of laws, regulations and ordinances affecting the property and agrees to accept the property in the condition existing on the date of this contract. Seller disclosure concerning HOA dues, Mello Roos taxes, assessments, or any tax concerning HUD homes is based on available information but is not deemed complete or accurate. It is the responsibility of the purchaser to obtain all information concerning these issues.

Walk-Thru Inspection

All Purchasers are strongly encouraged to conduct a walk through inspection PRIOR to the close of escrow. If a Purchaser discovers a property condition that did not exist at the time of sale they must immediately notify HUD’s property manager, **BLB Resources, Inc.** of the damage. Reporting of the damage does not guarantee the correction of the problem that was discovered. Each case will be looked at, and a determination will be made as to whether the damage will be repaired or proper credits given at the close of escrow if those repairs or credits are deemed to be in the best interest of the Dept. of HUD. The purchaser assumes full responsibility for the property and its condition on the date of close of escrow. The Department assumes no responsibility and will make no settlement, for damages reported to HUD after the close of escrow. (See item # 13.E of HUD Sales Contract).

For Your Protection: Get a Home Inspection

Name of Buyer (s) John Doe

Property Address 1010 Main Street, Any Town, OR, 97206, Multnomah County

Why a Buyer Needs a Home Inspection

A home inspection gives the buyer more detailed information about the overall condition of the home prior to purchase. In a home inspection, a qualified inspector takes an in-depth, unbiased look at your potential new home to:

- evaluate the physical condition: structure, construction, and mechanical systems
- identify items that need to be repaired or replaced
- estimate the remaining useful life of the major systems, equipment, structure, and finishes

Appraisals are Different from Home Inspections

An appraisal is different from a home inspection. Appraisals are for lenders; home inspections are for buyers. An appraisal is required for three reasons:

- to estimate the market value of a house
- to make sure that the house meets FHA minimum property standards/requirements
- to make sure that the house is marketable

FHA Does Not Guarantee the Value or Condition of your Potential New Home

If you find problems with your new home after closing, FHA can not give or lend you money for repairs, and FHA can not buy the home back from you.

Radon Gas Testing

The United States Environmental Protection Agency and the Surgeon General of the United States have recommended that all houses should be tested for radon. For more information on radon testing, call the National Radon Information Line at 1-800-SOS-Radon or 1-800-767-7236. As with a home inspection, if you decide to test for radon, you may do so before signing your contract, or you may do so after signing the contract as long as your contract states the sale of the home depends on your satisfaction with the results of the radon test.

Be an Informed Buyer

It is your responsibility to be an informed buyer. Be sure that what you buy is satisfactory in every respect. You have the right to carefully examine your potential new home with a qualified home inspector. You may arrange to do so before signing your contract, or may do so after signing the contract as long as your contract states that the sale of the home depends on the inspection.

I/we understand the importance of getting an independent home inspection. I/we have considered this before signing a contract with the seller for a home. Furthermore, I/we have carefully read this notice and fully understand that FHA will not perform a home inspection nor guarantee the price or condition of the property.

4. **Conflict of Interest** - A BSCC who has, or whose spouse, children or business associates have, a financial interest in the property shall not be involved in the closing process. 5. **Debarment or suspension** - No attorney, Title Company, Escrow Company, or BSCC, currently debarred, suspended, or otherwise excluded by Administrative Action from participating in Federal programs, may participate in any aspect of the closing or title clearance process.
6. **Non-Discrimination** - No BSCC, employee, or person or entity otherwise authorized to act for a BSCC agent may act in violation of Title VIII of the Civil Rights Act of 1968 (the "Fair Housing Act" Title VIII or Public Law 90-284) or Executive Order 11063.
